ORDER:

The Engineer – in - Chief (R&B) State Roads in the reference read above has stated that the Pulladigunta - Perecherla road is single lane road and this road crosses Guntur-Hyderabad road at Km 294/4 (Nallapadu) and again ends at km 288/735 in Perecherla town limits which is the junction of K-G Road and Guntur-Hyderabad road. The road running from Guntur City to Perecherla is not widened to 4 lanes and it is not able to cope up with the present day high intensity of traffic. There are numbers of Quarries in and around Perecherla and all the loaded Lorries/Tippers ply on this road. Day by day, traffic is increasing many folds. Hence very often there is traffic congestion of Guntur-Hyderabad road and in such situations the traffic is plying on Pulladigunta- Perecherla road. However due to the narrow and curved portions and built up area of perecherla town limits it is becoming difficult for the heavy vehicles to negotiate on Pulladigunta- Perecherla.

2. The Engineer – in - Chief (R&B) State Roads has further stated that some private people have come forward and handed over the site of 430 m length and 16 m width to (R&B) Department and they have registered their site to (R&B) Department at free of cost to facilitate free flow of traffic. There is reduction in the length for about 950m, if traffic passes through this taken over stretch. Therefore, this route becomes the shortest route from Guntur City to Perecherla junction and from there to proceed to Hyderabad (or) Kurnool. This will become a new access to the Guntur City. He has, therefore, requested to issue necessary orders for taking over of the private land of 430M by the (R&B) department, which was donated by the local villagers voluntarily for forming Link road to Pulladigunta-Perecherla Road to Pulladigunta-Perecherla Road from Km 0.0 to 0.430.

3. Government after careful examination of the matter, hereby accord permission for taking over the private Land of 430M by R&B Department which was donated by the local villagers voluntarily for forming link road to Pulladigunta-Perecherla Road to Pulladigunta-Perecherla Road from Km 0.0 to 0.430 by following due procedures as per Land Revenue Laws.

4. The Engineer-in-Chief (R&B), State Roads, Hyderabad, shall take further action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

S.P.SINGH
PRINCIPAL SECRETARY TO GOVERNMENT

To
The Engineer-in-chief (R&B), State Roads, Hyderabad
Copy to:
The OSD to Minister for Roads & Buildings.
